## Meet Kevin & Sue Rahn

Kevin has recently become a member of Valley Vettes Board of Directors. In addition to this role, he and Sue have volunteered to also serve as the Club's Event Coordinator. Let's say you have an idea for an event, be it a cruise, car show, overnight event, etc., but are not sure how to go about setting it up and/or running it. Both Kevin and Sue are available to partner with you to get your idea off the ground and on our club events schedule. Maybe you have heard of a local or distant event and would like to bring a group along. Again, they can help you set that up. If you would like to share some ideas but aren't interested in running the activity, bring it to their attention and they will take it on if feasible. Whatever the case may be, this is an opportunity to work with Kevin, Sue and Valley Vettes to keep our activities in the forefront.

*Marty*
